LiftMaster

POWERED BY myQ

84602

Smart Garage Opener with
Integrated Dual LED Lighting System,
Battery Backup, Chain Drive

Popular features

DC Motor
Operates with soft start/stop to offer reliable
operation year after year.

myQ® Connected
Control, secure and monitor the garage from
the myQ app anytime, from anywhere.

Secure in-garage delivery
Enables Amazon Key In-Garage
Delivery - free for Amazon Prime members.

Battery backup
Ensures garage access when the power is out.

Security+ 2.0®
Safeguards garage access by sending a
new code with every click of the remote.

Invisible light beam system
Auto-reverses the garage door
if there is an obstruction.

Posilock® protection
Electronically protects against
forced openings of the door.

Motion detection
Lights the way automatically
for additional safety.

Powerful chain drive

Chain drive system includes a rugged steel construction
with precision fabrication for dependable performance,
use after use.

Do more with myQ

Use the myQ app to control, secure and monitor your garage and conveniently share and manage access to your home without sharing passcodes or keys. Also, take the hassle out of service repair and easily connect to a trusted Dealer through the myQ app.

Integrated dual LED lighting system

Increase the functionality of the garage and never change a garage light bulb again. Dual lighting system provides 1,500 lumens of long-lasting LED light that brightens high traffic areas of the garage.

In the box

893LM

3-Buttom Remote Control
Operates up to 3 openers or myQ light accessories.

886LMW

Motion-Detecting Control Panel
Automatically turns garage door opener lights on as soon as you walk in.

485LM

Garage Door Opener Battery
Integrated battery back up allows you to open and close your door even when the power is out.
